Letter From The Superintendent

Greetings!! I know the calendar shows that it is spring, but I'm not quite convinced yet!

It seems as the school year quickly winds down, the demands on the students/staff pick up! Not only are spring athletics, field trips, concerts, and prom all gearing up, teachers are tasked with getting very important curriculum taught. This is done at the same time as squeezing in the much anticipated State's mandated Science Testing and Smarter Balanced Assessment Tests. These tests are required for students in grades 3-8 and 11. We will begin testing on Wednesday, April 11th and are hoping for an April 27th completion if our South Dakota weather cooperates.

On another note, the completion of our new building cannot happen soon enough. Our current hallways are like an obstacle course of buckets, filling with water dripping from the ceilings. This again is one of the many reasons I cannot commend our patrons enough for supporting the new school. The quality of our children's education depends on a suitable educational environment. Thank you again!

In closing, I would like to wish everyone a blessed and happy Easter. Hopefully everyone will have the opportunity to spend some quality time with family and friends.

Upcoming Events:

March 29	Ikidarod (12:20pm)
30-Apr 2	No School (Good Friday/Easter Monday)
4	Academic Festival @ DWU (8am)
6	Grades 5-8 Vocal Contests @ Springs
12	Senior Citizen's Day/Grandparents Day Program (1:00pm)
20	No School-Spring Break
21	Prom (Banquet 5:30/Grand March 7:45pm)
25	Grades 4-8 Instrumental Contests @ Platte

WHITE LAKE SCHOOL NEWSLETTER

CHEERS-White Lake School— March 2018

Congratulations to Beau Kirsch!! He competed at state KC hoop shoot on March 3rd and placed 5th.

Congratulations to the youth wrestlers that participated at Districts on Saturday, March 3! Wrestlers who place 1st-8th earned their way to wrestle at Regions at the Corn Palace March 10! Akane Metcalfe, Jayden Kahler and Taelyn Clark – 1st; Kiner Kirsch and Aiden Novak – 3rd; Ethan Metcalfe and Kase Mohnen – 5th; Karter Clark – 6th; and Ian Metcalfe – Participant.

On March 10th, the following wrestlers went to Regions and here are their results- -1st- Levi Nightingale, Jayden Kahler, Akane Metcalfe; 2nd - Taelyn Clark, Kameron Styles; 4th - Aiden Novak, Kiner Kirsch; Participants - Ethan Metcalfe and Karter Clark. The top 3 places head to State on March 23rd and 24th.

Congratulations to Tyler Hallman, who raised over $9000 to donate to the Aurora County Cancer fund on his Senior Project Fundraiser! Great job and such a worthy cause! Also, a big thank you to his mentor, Kim Ehlers, for all the time and work she put into helping Tyler reach this goal!

Congratulations to the following boys basketball players on their selection to CBH All-Conference: Javen Holan - 2nd Team; Kory Peters - 3rd Team; Kordel Kiehn - Honorable Mention.

Congratulations to the following GBB players on their CBH all-conference selection--Kennedy Leiferman - first team all-conference, Carly Beckmann - second team all-conference; Heather Munsen - third team all-conference.

Congratulations to Kennedy Leiferman, Carly Beckmann, and Heather Munsen on being named to the SCC GBB All-Conference team! AND

Congratulations to Kory Peters, Carter Fredericksen and Kordel Kiehn on being named to the SCC BBB All Conference team!

Congratulations to Heather Munsen for winning a trip to Washington DC in July! She participated in writing an essay for the Central Electric Youth Tour and won! Way to go!

White Lake School Fundraiser Campaign

Dear White Lake School Supporters,

White Lake School is hosting a fund raising campaign to help defray the cost of items not covered in the General Obligation Bond such as:

*Playground Equipment/Landscaping

*Bus/Storage Shed

*Misc. Teaching Materials (Projectors, White Boards, Displays)

*Updating Furniture (Lunchrooms Tables, Classroom Tables, Chairs, and other items not included in bid)

*Monument Sign

You can show your financial support with a monetary donation or through gym sign advertising. A name plate with your name will be on a plaque displayed in the new school for monetary donations. There are five levels: (Diamond $100,000 or more), (Platinum $50,000-$99,999), (Gold $10,000-$49,999), (Silver $2,000-$9,999), and (Bronze $500-$1,999). Gym sign advertisements will be on display in the gym for the lifetime of your business. Additional information for both types of donations is included. Every dollar will be greatly appreciated!

White Lake School is a tax-exempt governmental entity. You can send donations or inquiries to:

White Lake School
C/O Toni Aisenbrey, Business Manager
PO Box 246
White Lake, SD 57383
Phone (605) 249-2251
Email: toni.aisenbrey@k12.sd.us

White Lake School
C/O Robert Schroeder, Superintendent
PO Box 246
White Lake, SD 57383
Phone (605)249-2251
Email: Robert.Schroeder@k12.sd.us

White Lake School District 1-3

502 E Division St
PO Box 246
White Lake, SD 57383
Phone (605) 249-2251

Monetary Donation

I am interested in making a monetary donation of $_____ to the White Lake School. I understand that my donation will help cover items not covered through the bond such as:

*Playground Equipment/Landscaping

*Bus/Storage Shed

*Misc. Teaching Materials (Projectors, White Boards, Displays)

*Updating Furniture (Lunchrooms Tables, Classroom Tables, Chairs, and other items not included in bid)

*Monument Sign

I understand that a name plate with my name/business name will be on a plaque displayed in the new school for monetary donations meeting any of the five levels. The levels include: (Diamond $100,000 or more), (Platinum $50,000-$99,999), (Gold $10,000-$49,999), (Silver $2,000-$9,999), and (Bronze $500-$1,999). Diamond, Platinum, and Gold donors may also have naming rights to a room. Gym naming rights will be available with a donation of $200,000 or more (If equal donations are pledged, parties will be notified and may bid against each other for naming rights.) The plaque will be on display in the school at the beginning of the 2018-2019 school year; however, donations will be accepted at any time. The plaque will be updated periodically to reflect any donations meeting any of the levels.

I understand that White Lake School is a tax-exempt governmental entity and that **my donation can be tax deductible.**

Donations will be accepted in the form of cash or check. Please make checks payable to White Lake School. A donation letter receipt will be given upon receiving your donation.

If you have questions or would like to make a donation please visit with our Business Manager, Toni Aisenbrey or Superintendent Robert Schroeder at the number or address listed above.

PERMANENT GYM ADVERTISING SIGNS

Advertisement signs will be made in 3 sizes: 2'x3', 2'x4', and 4'x6'

Business is responsible for cost and content of sign

Sign Pro of Mitchell will be making the signs at the following cost *(artwork included):*

2'x3'=$68, 2'x4'=$76, 4'x6'=$196

Mrs. Moore's Preschool

This Month's Activities

Spring is in the air and with that it is bringing some warmer weather with it. This month we have celebrated Dr. Seuss's Birthday and St. Patrick's Day. For Read Across America Week, we read a variety of Dr. Seuss books, made a few projects using the different books we read, and we also had fun dressing up each day.

This month, we began exploring the letters "R", "G", and "W". Since "R" and "W" have similar sounds, it was difficult for some of us to hear the difference between the two. We will continue working on the sounds of those trickier letter.

In Math, we are continuing to work on our numbers – both writing them and putting them in order.

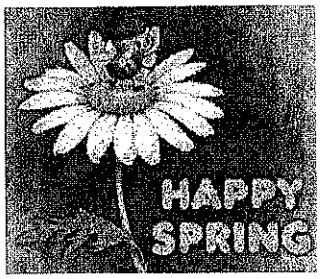
In science we have been talking about bugs and with that of course we had to make those bugs. The students had fun creating the bugs and then playing with them.

Upcoming Events

- March 29th – Central Electric Presentation at 10:30 A.M.
- March 30th – No School (Good Friday)
- April 1st – Loagon's Birthday
- April 2nd – No School
- April 12th – Senior Citizen's Day Program at 1:00 P.M.
- April 20th - No School

Pictures from when the Zoomobile was here.

Kindergarten Happenings
March



What is your favorite season?

Layla—Fall
Phillip— Summer
Karter— Summer
Kendall—Summer
Dusty—Summer
Braydon—Summer
Brysen—Summer
Laban—Spring
McKinlee—Fall

Here's the Scoop!!

Finally Spring has arrived! Hard to believe that the school year is almost over.

In Math, Kindergarten is learning tons about shapes! They have just finished up talking about 2 dimensional shapes. They learned about sides, vertices and how many of each the shapes had. Now Kindergarten is on to talking about cylinders, cubes, cones and spheres. They will be learning about what the shapes can do and what they looked like. Kindergarten also will be talking about what real world objects are shaped like our shapes.

Kindergarten has been talking about Earth's Resources. They learned about rocks, water and natural resources. Kindergarten talked about the characteristics of rocks. They also talked about our different water sources and the 3 Rs, reduce, reuse and recycle.

Kindergarten has just started their last unit in Social Studies all about stories of the Past. They are learning about like in the past. They will be learning how commemorative holidays are celebrated in the United States. Kindergarten will also be learning about time lines, colonial life and family history. They will also get a chance to learn who Betsy Ross was and why she is important to our nation's history.

In Reading, Kindergarten has been talking about growing food. They have been talking and learning about what it takes to grow the food that we eat. They also learned how to make some of the food they like to eat! They spent some time learning how to make bread in a bag! They also have been learning about sequence of events, classifying and categorizing and summarizing!

April

Happenings

*April 2nd—No School-Easter Monday

*April 12th — Senior Citizen's Day Program 1pm

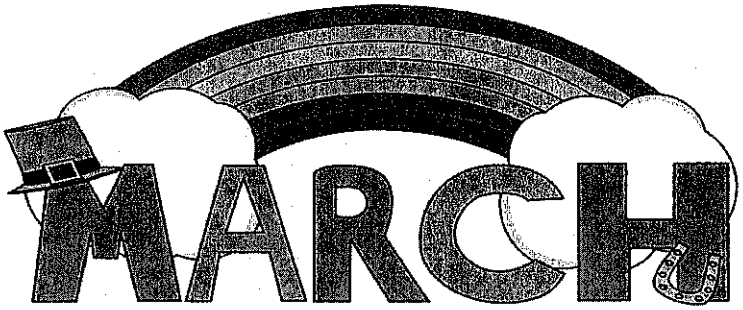
*April 13th—Pop Tabs are DUE!!

*April 19th—Northeast Jazz Band comes to play

*April 20th—No School Spring Break Day

Zoo Mobile

On Thursday March 8th, the Great Plains Zoo brought 4 different animals for us to see! We got to see a bearded dragon, a chinchilla, a porcupine and a screech owl! It was tons of fun to learn about them and the different habitats that they live in!



1st/2nd Grade Newsletter

This Month's Activities

Where has the year gone?! It is hard to believe that we are already in the last quarter of the school year.

In Reading, the first graders have been working on long vowels and the many different ways to write them. They have also been focused on subject-verb agreement and proper nouns.

The second graders have begun working on r-controlled sounds, such as "ar". They have also been discussing commas and quotation marks and when to use them.

In Math, the first graders and second graders chapters have lined up. They have both been discussing how to draw and analyze tally charts, bar graphs, and picture graphs. The second graders have also been working on making line plots to showcase data.

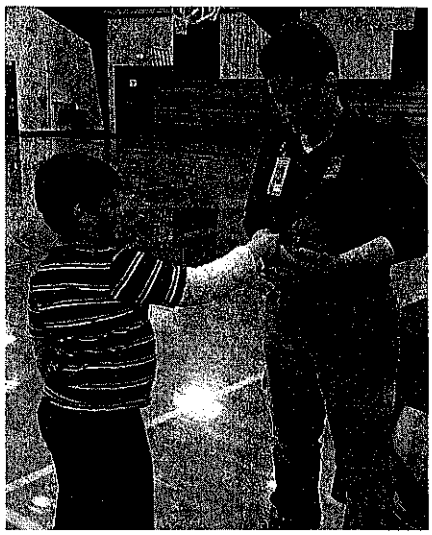
In Science, we have been classifying animals. We have been discussing what all animals need to survive as well as the many different habitats they live in. This unit coincided perfectly with a visit from the Great Plains Zoo. We got to observe and even touch some creatures from different parts of the world!

In Social Studies, our unit is about the similarities and differences of past and present life. Some of the students find it very hard to believe that computers and television were not always around!

In March, we celebrated three birthdays. Landon and Rylee both celebrated their birthdays on March 22nd and Logan celebrated his on March 25th.

Upcoming Events

- March 29th: Ikidarod
- March 30th: No School (Good Friday)
- April 2nd: No School (Easter Monday)
- April 12th: Senior Citizen's Day
- April 20th: No School (Spring Break)



The Great Plains Zoomobile came to visit our school. The children were able to see a porcupine and screech owl and even got to pet a chinchilla and a bearded dragon!

3rd & 4th Grades

Is it really time for April showers that are going to bring those May flowers?

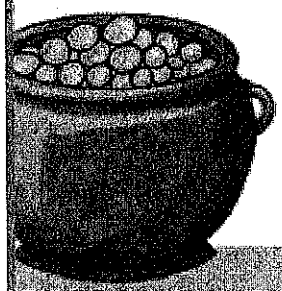
In math, the 3rd graders are finishing up a chapter working with graphs. They will then be learning how to find perimeter and area of common shapes. We continue to do daily timings to improve our fluency of the multiplication facts we need to memorize. 4th grade is finishing the customary system of measurement and will be moving on to the metric system.

In social studies we have learned what characteristics good citizens have. We are now discussing our government structure and the responsibility of each level and branch. In science, we have been learning about animal adaptations. Some sneaky butterflies found some hiding spaces in our classroom to avoid predators. The class learned that when animals use camouflage to hide, they can't always be found!

In the month of March we celebrated Read Across America week by dressing up. We learned about a variety of animals when the Zoomobile visited the school! We also took a few weeks to learn about the Iditarod race in Alaska, research the mushers, and follow them throughout the race. This was a great topic to discuss and learn about prior to running our own Ikidarod at the end of the month! We also look forward to Central Electric coming to do a presentation on energy and electricity!

Dates to remember: March 29- Ikidarod
March 30-April 2 Easter, No school
April 12-Senior Citizen's Day
April 20- No school
April 23-27- Smarter Balance Testing (Try to avoid scheduling any doctor appointments for this week!)

March Birthday-Ethan Metcalfe



5th and 6th Grade Newsletter

March 2018

Upcoming Events

March 30: No School
April 2: No School
April 6: Vocal Contest @ WS
April 12: Senior Citizens Day

Reminders

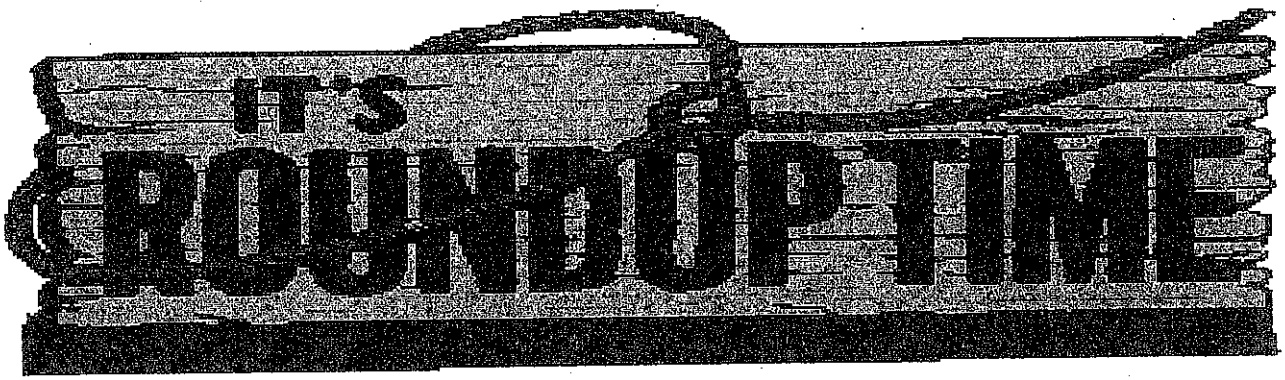
The annual Ikiderod is approaching! On March 29th, we will be doing this starting at 12:20. We are still in need of volunteers. If you could help on this day, it'd be much appreciated! Students – if you volunteered to bring a granola bar, fruit snacks, or a sled, please remember to bring those! Don't' forget your mittens!

Our Learning

As we are getting toward the end of the school year, we are busy in the 5th and 6th grade room with our subjects. In math, the 6th grade is working through area in geometry and the 5th grade is working with adding and subtracting fractions. In science, we are currently learning about light and sound waves. In social studies, our class is moving toward the Civil War.

Learning Continued

In language arts, we are continuing to work through the standards in our book as well as some other projects. We have been working hard on interactive grammar notebooks, reflection writings, and some close readings to help out our reading comprehension!



White Lake Elementary School

Preschool Roundup

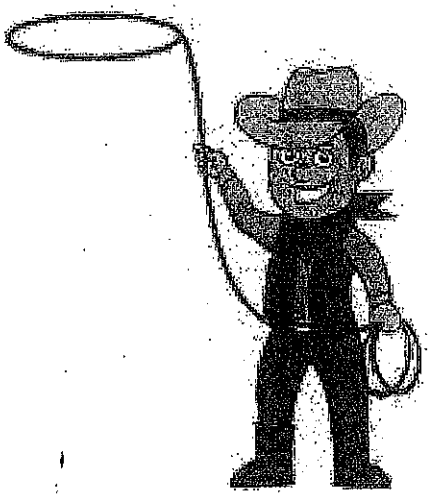
Friday, May 4th

8:00 – 9:00 A.M.

Join us for a fun morning!

Come meet our teachers, join us for breakfast and calendar/story time, and learn all about White Lake's Half-Day Preschool.

We look forward to showing you the ropes!



White Lake School
2018-2019 School Year
Registration

How to Register Your Child for Preschool

*Preschool students must be four (4) or five (5)on or before September 1, 2018

*Preschool will be held M-F from 8am-12pm.

*You can register by stopping in or calling the school at 249-2251 between 8am and 3pm.

*All registrations must be made by August1, 2018.

*The school will need copies of your child's birth certificate, social security card and shot record.

*3-5 screening will be held Thursday, September 13th in the school gym.

Dear Parents,

It is that time of year again for state testing. Here is a schedule of the dates, time, and grades. So, please try not scheduling any appointment during your child's testing time and make sure that they get a good night sleep. If you have any questions feel free to give me a call at the school.

Thanks for your help.

Mrs. Moore

HOW TO PREPARE YOUR CHILD TO TAKE A TEST

Here are some things <u>your child</u> can do:	Here are some things <u>you</u> can do:
REST Get a good night of sleep before the test.	DISCUSS Help your child understand that the *Dakota STEP* gives him or her the chance to show what he or she knows about a subject.
EAT Eat a good breakfast.	SUPPORT Ask your child to maintain regular study habits. Do not ask your child to give extra study time for the *Dakota STEP*. The test covers more schoolwork than your child can learn in a few extra hours.
LISTEN Listen carefully to the directions given for the test and follow them exactly. If the directions are not clear, ask the teacher to repeat them or to explain them.	RELAX Students who are calm and sure of themselves do better on tests.
TRY Do your best and do not give up.	

Volunteers Needed!

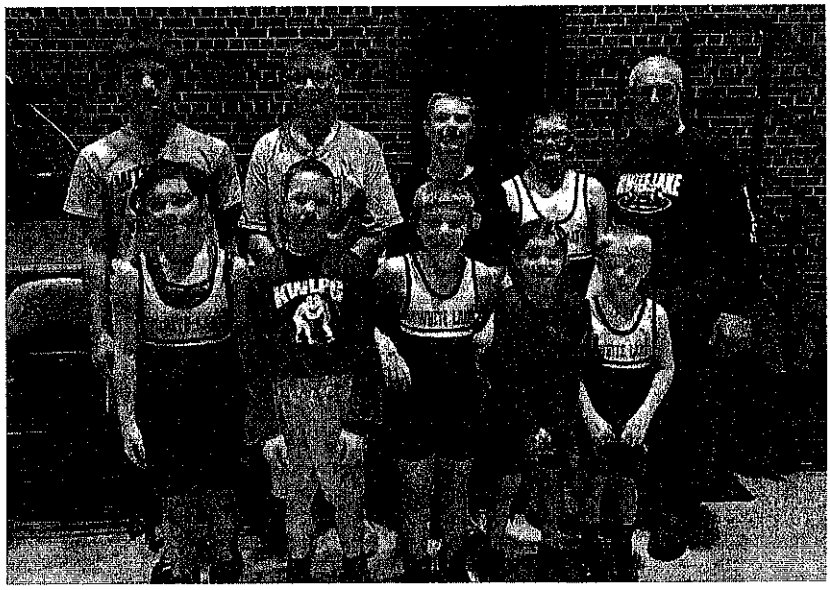
KWL Track and Field

by Kory Peters

The KWL track team is preparing for their first meet, which will be at 2 p.m. on March 27 at Mitchell, South Dakota. This will be an indoor varsity track meet at DWU. Their next meet will be the South Central Conference meet at Gregory and that will start at noon. The seniors on this year's track team are Carly Beckmann, Tyler Hallman, Sage Pulse, and Kezery LeBeau. The track teams are coached by Drew Gillogly, Toni Aisenbrey, Tia Degeest, and Stephanie McCord.

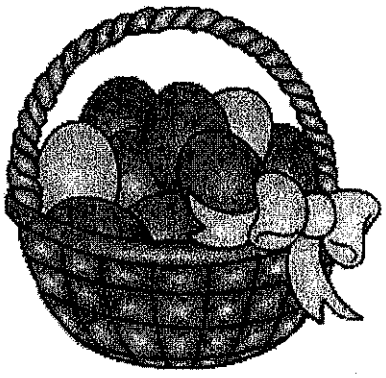
White Lake Youth Wrestlers Attend State Tournament

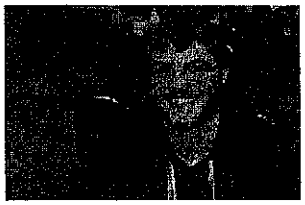
Nine youth wrestlers qualified for and wrestled at the Region Wrestling Tournament at the Corn Palace on March 10, 2018. They were Levi Nightingale, Kameron Styles, Jayden Kahler, Akane Metcalfe, Aiden Novak, Kiner Kirsch, Ethan Metcalfe, Taelyn Clark, and Karter Clark. Levi-1st place, Kameron-2nd-, Jayden-1st, Akane-1st, and Taelyn-2nd qualified for the State Tournament by placing in the top three at Regions. Congratulations to those who wrestled at Regions! At the State Tournament, which was held on March 24-25 at the Sioux Falls Arena, Akane place second, Taelyn placed third, Levi placed sixth, and Jayden placed seventh. Great Job wrestlers! This year Levi and Kameron wrestled freestyle at the Region and State Tournament, which is a different style of wrestling than they wrestle throughout the high school season. The main difference between Freestyle and Folkstyle is that in Freestyle competition (and Greco) you do not do anything while you're on the bottom besides trying not to get turned. The goal is to expose your opponent's back to the mat to score points or to pin him. A pin can be called after your opponent's shoulders touch the mat for one second. If you don't get that done within the allotted amount of time, then you start back up on your feet and try again. Throws are also a big part of freestyle wrestling, with a throw, which results in exposing your opponent's back to the mat earning you 4 points. There are also other differences to the scoring.



Region Wrestling Participants

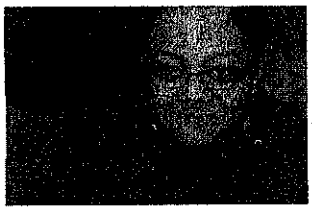
What's your favorite candy during Easter?





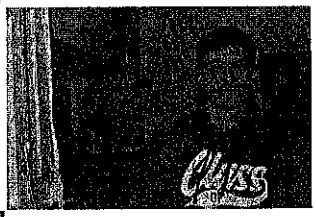
Travis Geyer- Chocolate

Rainan Cabanag- Cadbury



Tyler Hallman- Caramel eggs

Kerry Fink- Jelly beans eggs



Riley Pursell- Chocolate

Jaxon Christensen- Twin Bing

Nolan Kirsch- Twix
