

# National Summer Transportation Institute

**Option A: June 19 – June 25, 2022**

**Option B: June 26 – July 1, 2022**

*Are you a South Dakota high school student interested in learning more about engineering and transportation? Would you like to learn on the beautiful South Dakota State University campus through interactive, fun and hands-on activities? Do you want to explore opportunities in the transportation sector and consider it as a career? Then, the South Dakota State University's National Summer Transportation Institute (NSTI) may be right for you!*

*All selected students will receive scholarships to attend the NSTI! The scholarship will cover the cost of on-campus housing, food and workshops so the camp is free! During this one-week-long summer camp, you will be introduced to different aspects of transportation engineering, such as planning, materials, and transportation modes among other topics. You'll also have an opportunity to participate in hands-on lab activities in workshops, and learn from experts about the transportation sector and the problems transportation engineers solve.*

**Application Deadline: May 31, 2022**

**More Information Is Provided in the Registration Form.**

### **Eligibility Criteria**

- Entering grades 9–12 (as of 2022-2023 school year)
- Have a cumulative GPA of at least 2.0 (out of 4.0)
- Completed algebra (or will be qualified to enroll in coming school term)
- Interested in engineering, science, transportation, or technology
