

Plankinton Home Activities Fan and Team Protocol

There will be a concession stand with limited foods available

The Plankinton School appreciates your cooperation during this difficult situation. We can only hope this will be a short time frame needed for this protocol. Thank you

MVP Athletes

- Will use the north triple doors – If they are tested 2 times during the school day they do not have to have a temperature check when entering.
- The north triple doors are for athletes, coaches and officials only
- You may park the bus by the triple doors as that area will be designated for buses and officials only
- We will use our usual home locker rooms

Opposing Team

- Will unload athletes at the NORTH triple doors ONLY. Teams in the past have dropped athletes off at the south entrance. To avoid multiple contacts we ask that you please advise your bus drivers to drop off athletes on the north side of the school. We will try to have a school representative to help.
- Busses may park near the Plankinton busses but please do not block an open bus parking spot as there may be a bus in need of the spot when they return from another destination.
- Will use the east locker rooms.
- If the opposing team takes temperatures before leaving their home school they will not be required to take temperatures when arriving at the Plankinton School. Please communicate this to the Plankinton Assistant AD Lawron Bohr at lawron.bohr@k12.sd.us

MVP Fans

- ALL fans must enter through the south doors. We will work to keep spots open for disabled and elderly fans
- MVP fans must sit on the west side of the gym

- MVP fans will use the west bathrooms located near the team locker rooms/kitchen area.

Opposing team fans

- ALL fans must enter through the south doors. We will work to keep spots open for disabled and elderly fans
- Opposing team fans must sit on the east side of the gym
- Opposing team fans will use the east hallway to enter the gym.
- Opposing team fans will use the east bathrooms in the elementary wing
