

Free coding camp

SDSU Data Science Camp

Time: 9am June 13th to 3pm 16th, 2022

Location: Solberg Hall Computer Lab, SDSU

Registration due date: 5/15/2022

Contact:

Bill Alsaker William.alsaker@sdstate.edu

Xijin Ge Xijin.Ge@sdstate.edu

Teresa Dawkins 605-688-6196

Cost: Free

Who: 9-12th graders in the fall of 2022

Capacity: 20 students.

This is a FREE 4-day summer camp. Food and lodging provided. Students stay 3 nights on campus in college dorms. This camp is aimed at creating a fun and stimulating experience for current high school students in using computers to analyze data. You will learn some basic statistics and math topics. Have fun visualizing data and developing apps. Engage in fun activities, such as analyzing the number of chocolate chips on cookies. Learn how to write computer programs through examples. Led by SDSU professors and graduate students, you will work in a computer lab at SDSU. Spaces are limited. Sign up now to secure your spot at
