WANTED:

White Lake School Alumni

We are looking for White Lake School Alumni to present at a Career Fair for our students on September 16, 2019 at the White Lake School. We know that there are many of you out there that have interesting, successful careers that our students would like to hear about. If you love your job and want to inspire the youth of our community by sharing your career journey, a typical workday, education requirements and more, please contact us. This is an opportunity for students to speak with someone whose career choice interests them and to explore areas they may not have considered before. Please share this flyer with other White Lake graduates to help us spread the word.
