****The volleyball games either start at 4:00; 5:15, 5:30 OR 6:30, depending upon if there is a "C" game or not. You need to be there 45 minutes before the start of the game to finish setting up. I will have everything set up before I leave for the day, but I am unable to set the candy out or start the popcorn. If the game is either on a holiday or a Saturday, then you are responsible for getting everything set up, and that takes at least an hour to get things set up and going so everything will be HOT by game time.**

DATE: August 2017

Sophomore and junior classes and their parents will be running the concession stand again this school year. I am in charge of ordering supplies for the concession stand; and help out when needed.

I have prepared a schedule for the volleyball and football season as we know it now. I do not plan on having the concession stand open for Junior High/JV Football games; unless someone wants to step up and run them. We usually don't make too much at those events. However, I will complete a schedule for basketball and wrestling in the Fall and get this out to all of you.

I WILL BE HAVING A SHORT MEETING ON THURSDAY, AUGUST 17th, 2017 AFTER THE REGISTRATION/ORIENTATION MEETING FOR ALL SOPHOMORE/JUNIOR STUDENTS AND THEIR PARENTS. IT WILL BE HELD IN THE LUNCH ROOM.

Each family needs to furnish 6 lbs. of taco meat. Please have it here by Wednesday, August 23rd, 2017. We will keep it in the SOPHOMORE/ JUNIOR CLASS freezer (which is located in the closet off of the gym) and use accordingly. It is best to freeze it in ziploc bags – and each bag only holding 1 lb. each. Then if we do need more throughout a game, it doesn't take long to heat it up in the microwave.

The student down to work is responsible for finding a replacement if he/she cannot be there. Parents, the concession stand cannot operate without adult supervision. Therefore, if you cannot make it, you also need to find a replacement; and please be on time! PLUS, all workers MUST STAY until everything is put away and cleaned up! No leaving early.

If we all work together, the concession stand will run smoothly.

Thanks for your advanced cooperation.

Thank you to ALL of you for making the concession stand for football and volleyball run smoothly.

I have prepared a schedule for the basketball and wrestling season; and it is enclosed. If you are scheduled to work and cannot be there, please switch with someone else. This is YOUR responsibility.

Reminder to parents, the concession stand cannot operate without adult supervision. Therefore, please be on time. You need to be at each game 45 minutes prior to starting time. If you are unsure as to what time the game starts – please call the school that day or check your parent portal for the daily announcements.

As you can see per the schedule, we are having two Modern Woodmen suppers in February. These are GREAT nights for the concession stand; and we will be running ‘certain’ specials for those 2 evenings.

If you are down to work on a Saturday or a NO SCHOOL day; nothing will be started, so you should give yourself enough time to get things warmed up before the concession stand opens (45 minutes -1 hour).

Food for thought:

- Please do not put the pretzels in the oven.
- Please wipe out the popcorn machine when you are done for the evening.
- Please DO NOT STORE cheese in the cans in the refrigerator. Put the cheese in containers that are provided. They are located in the closet OR there are some available in the kitchen in the cupboards.
- Please put everything either in the Junior class closet; in the walk in cooler; or the Junior Class freezer. The pickles need to be refrigerated after they are open.

Any questions or suggestions, please contact me. I am open to ideas! Again, thanks for everybody’s cooperation!!

Some changes were made to the work schedule for the concession stand. Please throw away the one you received back in June and replace it with this one.

Reminder that you can bring your 4 pounds of taco meat anytime.

If you are unable to work when you are scheduled, it is your responsibility to find a replacement.

Any questions, please let me know. Thanks for your advanced cooperation.
